### NOTICE

\*Ramadan 23 Apr - 23 May. The Club Championships must be organized within May 15, 2020 according to FIVB's request. If not, the winner cannot participate in World Club Championships.

\*The AVC Cup events will be open from 8 – 16 teams up to the decision of the host but the team cannot participate in the Challenge Cup.

\*The Challenge Cup events will be open from 8 – 16 teams up to the decision of the host. The teams in AVC Cup cannot participate in Challenge Cup.

\* In 2020-2023, there is no subsidy from AVC to the hosts of Under Age Championships but the hosts do not need to produce TV signal for AVC. If the hosts can produce TV signal, 100% of Domestic TV Right belongs to the host and 50% of International TV Right will be shared between the host and AVC.

For the advertising boards surround the court, 70% belongs to the host and 30% belongs to AVC. The 4 stickers on the floor (Gerflor stickers are not included) will be shared 50% between the host and AVC.

For Senior Championships, Asian Club Championships and AVC Cups, the subsidy for TV signal production is still the same as 2016-2019.
