The NFs will be seeded in the competition bracket according to the seeding policy below:

*The combined finishes (points) of all four players becomes the team ranking/seeding. Calculated by:*

- *Each individual player's best finishes, in terms of ranking points, in FIVB sanctioned events within the last 365 days up to the day of General Technical Meeting. Maximum of 4 events.*
- *Plus, each individual player's best finishes, in terms of ranking points, in AVC sanctioned events including multi-sport and zonal/ regional events within the last 365 days up to the day of General Technical Meeting. Maximum of 4 events.*
- *Only 1 Multi sport or Zonal / Regional event to be included in total.*
- *Only 1 AVC Championship event to be included in total.*

If the host country is among the Top #4 NF's present, the NF will receive Seed 1 otherwise it will be Seed 4. If there are 4 teams or less then the following will apply: If the host country team is among the Top #2 NF's present, the team will receive Seed 1 otherwise it will be Seed 2.

In case of a tie, a drawing of lots will decide.

The sum points of "team 1" from each participating National Federation should be higher than "team 2". If equals, the head of delegation/captain of the country decides which team will be team 1.

### 2.5 Reserve player

- During the Preliminary Inquiry, each NF shall confirm the final 4 players by its head of delegation or head coach, based on the team composition as shown in the entry form.
- The final list of team composition will be announced at General Technical Meeting, with Team 1 with higher sum of ranking points than Team 2.

- From the beginning of the General Technical Meeting, no change can be made to the team composition, even for medical reason or force majeure. As we play best of three matches, i.e. team 1 against team 1, team 2 against team 2, and the golden match can be played by any 2 of the 4 players from one NF. So, if one player injured, subsequently they will forfeit the match but the NF still have a chance in the golden match.
