### Competition format

- NF vs NF, 2 teams per NF per gender  
Best out of 3 matches (Golden Match, if any)
- Single elimination format

### Country entry:

- Each NF must enroll two (2) teams per gender (total 4 players) to be eligible to participate in the event.

- During the Preliminary Inquiry, each NF shall confirm the final 4 players by its head of delegation or head coach, based on the team composition as shown in the entry form.
- The final list of team composition will be announced at the General Technical Meeting, with Team 1 with a higher sum of ranking points than Team 2.
- From the beginning of the General Technical Meeting, no change can be made to the team composition, even for medical reasons or force majeure. As we play the best of three matches, i.e. team 1 against team 1, team 2 against team 2, and the golden match can be played by any 2 of the 4 players from one NF. So, if one player is injured, subsequently they will forfeit the match, but the NF still have a chance in the golden match.

  - Only 1 Multi sport or Zonal / Regional event to be included in total.
  - Only 1 AVC Championship event to be included in total.
- The sum points of "team 1" from each participating National Federation should be higher than "team 2". If equals, the head of delegation/captain of the country decides which team will be team 1.
- If the host country is among the Top #4 NF's present, the NF will receive Seed 1 otherwise it will be Seed 4. If there are 4 teams or less then the following will apply: If the host country team is among the Top #2 NF's present, the team will receive Seed 1 otherwise it will be Seed 2.
