**D. PREPARATORY REPORT and INSPECTION OF FACILITIES**

- 1) The Organizer should present a visual (or a Word file) preparatory report (ppt or DVD) at the AVC BA meeting. The report should include a proof letter that guarantees the support of the Government authority.
- 2) AVC will decide whether an inspection visit is necessary.

- 3) If necessary, AVC will nominate a representative to the host city in order to inspect the accommodation, competition conditions and facilities at the Organizer’s expenses.
- 4) The Organizer has no right to change, without a prior approval of AVC, the competition facilities and hotels after the final inspection.
  - A. The host must report AVC HQ if a change is unavailable or inevitable. Otherwise, a sanction fee might be imposed.

## **2. TEAM ENTRY and THE LIMIT OF PARTICIPATING TEAMS**

- 2.1 The number of entry is limited to a maximum of 16 teams in all AVC events.
- 2.2 No later than 15 January 2025, each member federation must send its official entry to AVC in order to confirm their intention of the participation.
- 2.3 Late entry before 31 January 2025 is possible with US\$500 fine.
- 2.4 No later than 2 February 2025, AVC will reconfirm the Number of National Entry.
- 2.5 The total of 16 teams in any AVC event will be selected by the followings:
  - 1 team for the Organizer
  - 10 teams based on the rankings of the previous championship
  - 5 teams from each of 5 zones (with a qualification tournament if needed)
- 2.6 If there are more than 16 national entries, AVC will inform Zonal Vice Presidents to organize qualification tournaments to select a team to participate in the championship. If no qualification tournament will be conducted, the concerned Zonal Vice President has the right to choose the qualified team and inform AVC within 13 June 2025.
- 2.7 No later than 17 June 2025, AVC will reconfirm the total of participating teams.
- 2.8 Within 20 June 2025, all entry teams must send the O-2 form, two (2) personal photos of each member, a team photo, and a sports biography of the team to AVC and to the Organizer.

NFs may submit the O-2 form via online or submit by email. Please send a excel form of O-2 as well.

AVC will provide the Username and Password to all AVC NFs.
- 2.9 AVC will not accept the entry of the national federation who has NOT paid their penalty and/or sanction fees occurred in previous events. The concerned team must clear their unpaid fees before or deposit US US\$15,000 when they send the entry form to AVC in order for their entry to be accepted.
- 2.10 No later than 17 February 2025, all participating teams which confirm their entry forms must deposit US\$ 10,000/event for the partial payment and entry fee to AVC account according to the decision of General Assembly on September 22, 2022 in the Netherlands in order to secure and protect the host of the AVC championship.

## **3. PARTICIPATING TEAMS and PLAYERS**

- 3.1 All AVC official Championships are open to the AVC affiliated federations that fulfilled their obligations and financial responsibilities with regard to the FIVB and AVC.
- 3.2 The hosting National Federation has only one entry in any AVC event in principle.
- 3.3 Teams must send the O-2 bis and photo of 3 sets of uniform jersey form to AVC 1 week before the starting date of the competition. A late submission of the O-2 bis form will be sanctioned (US \$500).
- 3.4 Change of the players:

3.5.1 In the O-2 Form (Maximum of 20 players)

Teams may request AVC to change up to two players registered on the O-2 form if it is due to medical reasons (with a proper and valid evidence) until 21 days before the starting day of the competition. This requested change will be subject to the final approval of AVC.

3.5.2 In the O-2bis Form

Teams may replace up to 2 players listed on the submitted O-2bis form before the competition starts, but must report it to the CC member at the Preliminary Inquiry for the approval. In this case, the new player(s) must have been listed on the O-2 form. No changes will be allowed after the commencement of the General Technical Meeting.

- 3.5 Neutralized players must have been proven residential status in the country or region of their new nationality for not less than two years (up to the opening day of the championship) from the date of issue of the official document granting the new citizenship.
- 3.6 Players must be born on or after January 1, 2010.
- 3.7 Asia (U16) players who have already played once in the FIVB Youth(U17) Championship cannot play in AVC Youth Championship as it is a qualification event for the following year of FIVB Youth (U17) event.

#### **4. COMPOSITION OF THE TEAM DELEGATION**

4.1 **For Age-Group** events, a team can have a maximum 20 team members (12 players + 6 officials + 1 accompanying referee + 1 press **with a FIVB press ID or a local press ID with an official letter by NF written in English to confirm** his/her identification).

- 4.1.1 A maximum of 5 officials (head-coach + 4) listed on O-2bis can be chosen by the head-coach to sit on the bench, except for the team manager and press.
- 4.1.2 A maximum of 12 players and a maximum of 5 officials are allowed to come to the court (FOP area). All other extra team members should move directly to a designated area (team seats), not allowed to stay long on the court with their team.
- 4.1.3 The team manager can sit in the VIP area when their team plays a match, but NOT allowed to speak out (loudly) to deliver technical comments to the team.
- 4.1.4 There is NO sitting table, in principle, prepared for a team statistician on the court behind A-board around the court. The team statistician (if any) should go to a designated area and communicate with their team via internet (Wi-Fi) connections.
- 4.1.5 If a team medical doctor is NOT selected to be seated on the bench by the head-coach, the team doctor is regarded as an extra team member and thus cannot be on the court when an official match protocol starts. The doctor should leave the court and must go to a designated area (team seat).
- 4.1.6 A team can have a maximum of 2 Libero and must designate the Libero(s) during the Preliminary Inquiry.
- 4.1.7 If a Libero is unable to play due to a medical reason (injury or illness) or a sanction (expelled or disqualified), the team (coach or captain) can request a replacement of Libero with a normal player whenever the team needs. Once

a normal player is designated as a Libero, this player cannot come back again to become a normal player until the end of competition.

4.2 The number of team officials to be sited on the bench cannot be increased after the general technical meeting; the fewer team officials can be accepted.

4.3 The number of players on each team must have at least 6 players on the court in the competition. If the team has less than 6 players, the team will not allow to play.

4.4 For all AVC championships, each NF must nominate a minimum of three international referees or international candidate referees to AVC per event. The AVC RC will then propose to AVC the name of the referee selected as an accompany referee to attend to the event.

4.4.1 A team is obliged to put at least one female referee who is an international referee or an international candidate referee in the National Entry for a female competition of AVC events.

4.4.2 If there is no accompanying referee (international or candidate), penalties shall be incurred as per Article 19.4

4.5 Hotel and Room assignments

4.5.1 It is strongly recommended that the host should not have more than two hotels for AVC events. It is much preferred to have only ONE hotel whenever possible.

1) If the host prepares ONE hotel for both AVC officials and Team delegates, the host should assign the AVC officials (including referees) in a different building or sector or floors. If it is not possible to do so, then at least AVC officials should be assigned in the area being as much as apart from team delegations.

2) If the host prepares TWO hotels for the teams, it is strongly recommended that the host should select 2 hotels being close to each other with the same level (at least similar) of facilities and conditions for accommodation, especially for food.

3) AVC officials and referees must stay at the same hotel.

4.5.2 The host must prepare a maximum of 4 single rooms and a maximum of 8 doubles for a team, and the assignments of the rooms should be done by the following principles:

1) Team officials: 4 single rooms

- Team manager, Head-coach, Referee, and Press with ID.

- If a team press does not present a proper document (ID) during the Preliminary Inquiry, that person is regarded as an extra team member (a late submission of the document is not accepted).

- Coaching staffs: 2 double rooms for whom sit on the bench (even if there are only 3 coaching staffs, still 2 rooms are assigned)

2) Players: a maximum of 6 double rooms

- Even if there are only 11 players (odd number), still 6 rooms are assigned.

3) Extra officials (up to 2 people only): 1 double room.

- The host should not charge the cost of hotel more than twice of the partial payment / person / day.

- If the team wants to have single rooms for these extra officials, they should pay extra expenses negotiated with the host and the hotel.

4) Other extra team members: the host is NOT responsible for these people.

- It is up to the pre-arrangement between both parties.

## **5 DRAWING OF LOTS and COMPETITION SYSTEM**

- 5.1 All AVC official competitions will be conducted by the AVC Control Committee under the leadership of the AVC President or his representative.
- 5.2 FIVB, International, and International Candidate referees accompanying with the teams and from the organizing country will officiate in the championship.
- 5.3 The Organizer should strictly follow the AVC competition guidelines and regulations.
- 5.4 The competition system is subject to the exact number of participating teams. AVC will forward to each participating federation a finalized competition system and competition calendar two months before the championship starts.
- 5.5 The drawing of lots will be conducted not less than 3 month of Competition Date or during AVC SEC meeting in March. The special function of drawing of lots can be conducted by the host with approval by AVC.
- 5.6 Within 10 days after the drawing of lots, the Organizer should prepare the timetable for daily matches according to the AVC competition format and submit it to AVC for approval.

## **6 ORDER OF MATCHES and ORGANIZER’S RIGHTS**

- 6.5 The order of matches in the preliminary round is assigned (by Berger table) in accordance with the AVC competition format.
- 6.6 The seeding and grouping of the participating teams will be done in accordance with the results of the previous event based on serpentine system and drawing of lots.
- 6.7 The Organizer has the right to choose one match for each pool in the preliminary round if the pool is composed of not more than 4 teams. In case of 5 or 6 teams with a round robin system, the Organizer has the right to choose two matches.
- 6.8 The Organizer has the right to change the timetable and order of matches for TV broadcasting reasons with a prior approval of AVC Control Committee. Each team must be informed of the timetable changes at least one day before the match date. For Semi-final and Final round, the match schedule shall not be changed.

## **7. CLASSIFICATION OF TEAMS**

According to the decision of AVC BA, the classification of teams in the competition will be considered by the following orders:

- 7.1 Number of Victories: The teams will be classified in descending order by the number of matches won.
- 7.2 In the case of equal matches won:
  - 7.2.1 The following points will be awarded per match to each team:

Match won 3-0; 3-1	3 points
Match won 3-2	2 points
Match lost 2-3	1 point
Match lost 0-3; 1-3	0 point
Match forfeited	0 point (25-0;25-0;25-0)

- 7.2.2 Set quotient. In the case of equality in the number of match points by two or more teams, they will be classified in descending order by the quotient resulting from the division of the number of all sets won by the number of all sets lost.
- 7.2.3 Points quotient. If the tie persists as per the set quotient (7.2.2) the teams will be classified in descending order by the quotient resulting from the division of all points scored by the total of points lost during all sets.
- 7.2.4 If the tie continues as per the point quotient (7.2.3) between two teams, the priority will be given to the team which won the last match between them. When the tie in point quotient is between three or more teams, a new classification of these teams in the terms of 7.2.1, 7.2.2, and 7.2.3 will be made by taking into consideration of only the matches in which they were opposed to each other.

## **8. UNIFORMS**

- 8.1 The playing uniform must be in conformity with FIVB standards. Each team must have available three sets of playing uniforms of a different color. The players' numbers on the uniform can be from 01-99 and must be the same as on the O-2, O-2bis form. Any improper use of uniform color shall get penalties. Details see Article 19.5.
  - 8.1.1. Socks are a part of uniform. All players must have the same color (and design) on the court.
  - 8.1.2. Undergarments (inner wear) must be the same (similar) color for all players.
  - 8.1.3. Compression pads (and protectors) for elbow and knee, neutral colors (black or white) are approved, but whichever color is chosen, it must be the same color for all players. If they are not the neutral colors, they are also required to be of the same color as the uniform for all players. No padding is allowed in the forearm compression pads, as it provides advantages to the players' performances.
  - 8.1.4. If a player has ankle bracers or knee protection gears for a medical reason with a different color (i.e., grey or blue), should report it at the Preliminary Inquiry with photos (or to the Jury before the match).
- 8.2 The playing uniforms of the team captain must be presented during the Preliminary Inquiry.
- 8.3 The team officials on the bench, as approved at the Preliminary Inquiry, must confirm to either of the following dress code options (no shorts are allowed):
